

THE SUMMER HEAT

has arrived and it's a great time
to prepare your home to stay
cozy warm this winter.

Take advantage of the weather to make the improvements your house needs
to increase its energy efficiency. Start with a phone call to schedule a
Free Home Energy Audit.

You'll obtain the information you need to begin.

Call toll free 1-888-333-7525

Our Energy Auditor will schedule a visit to your home, evaluate all energy uses and make savings recommendations

Implement audit
recommendations and
receive an incentive up to \$300

Purchase qualifying Energy Star
appliances in 2005 and receive
cash rebates. Call for details.

HELPS is a service brought to you by your local municipal utility
